Dear Applicants:

Welcome to the City of Brandon's Public Safety Communications Department

Thank you for your interest in joining the Brandon Public-Safety Communication Centre (BPCC). We're excited that you're considering a career in public safety communications—a field that is both challenging and deeply rewarding.

At BPCC, our team of dedicated professionals serves as the first point of contact in emergency situations for communities across Manitoba. Public Safety Communicators play a vital role in assessing critical 911 calls, dispatching nearly 200 rural fire departments, and coordinating emergency responses alongside law enforcement and provincial agencies.

If you choose to apply and are selected to move forward in the competition process, you'll begin training in 911 and Fire Operation Call Taking and Dispatching. This foundational training will equip you with the skills needed to handle emergency calls and dispatch fire services effectively. Throughout the process, our experienced trainers and supervisors will support you as you build confidence and grow into the role.

We're looking for individuals who are calm under pressure, committed to public service, and eager to make a meaningful impact in their communities. If that sounds like you, we encourage you to apply and take the first step toward a fulfilling career in public safety communications.

Should you have any questions about the application process or the role itself, please don't hesitate to reach out to human resources or contact me directly.

We look forward to learning more about you—and potentially welcoming you to BPCC. Sincerely,

A handwritten signature in dark ink, appearing to read "Robert Stewart".

CITY OF BRANDON PUBLIC SAFETY COMMUNICATION CENTRE

The Brandon Public Safety Communication Centre is located at Fire Hall #1 in Brandon Manitoba. The Centre is operated by the City of Brandon, under license to the Province of Manitoba. The Centre has been providing continuous 24/7, call taking and dispatch services since 1997.

The Centre provides 911 services to over 520,000 Manitobans outside the City of Winnipeg with service contracts in almost 190 communities. These include 140 Municipalities, Towns and Cities, 28 Provincial Parks, 1 Federal Park, 9 First Nations and 11 Northern Associations of Community Councils. The Centre receives approximately 171,000 911 calls per year.

The Centre provides dispatcher services to many different service providers. Clients served include Brandon Police Service, Rural Police Agencies, First Nations communities, and over 194 Fire Departments. The Centre also coordinates calls between Provincial Ambulance, RCMP and a number of other emergency services organizations.

The Department currently has a staff complement of 40 employees which consists of 32 Call Taker/Dispatchers, 4 Supervisors, a Quality Assurance and Training Coordinator, administrative support staff, Manager of Public Safety Communications, and the Director of Public Safety Communications.

Employees are represented by the Brandon Professional Firefighter's/Paramedic Association. The Association negotiates a Collective Agreement with the City on behalf of its members. The Agreement sets out salaries, benefits, and working conditions.

COMPETITION WELCOME

COMPETITION OVERVIEW

The following pages provide detailed information to help address any questions you may have about the competition and the expectations for candidates. We encourage you to review this material thoroughly before reaching out to the City of Brandon Human Resources Department with inquiries.

The competition process from application to initial employment offer can take up to 6 months.

1. Selection Process
2. Pre-employment Screening Stage
3. Training & Employment Offer

SELECTION PROCESS

A. SCREENING

Applicant resume and cover letter will be screened based on whether they meet the mandatory education and experience listed in the Public Safety Communicator Job Description.

B. TESTING

Typing Test

The initial test is a typing speed test. The mandatory minimum for successful completion of this stage is 40 wpm net. The testing can be completed at home, or you have the option of coming to City Hall (Human Resources Department – 2nd Floor) to complete this test. The test takes approximately 10 minutes (with practice test) to complete.

ECOMM Test

The second step is the ECOMM National testing which consists of three (3) parts and is hosted by the City of Brandon in a classroom setting. During ECOMM testing there are 3 main sections:

- ECOMM National CallTaker Video Test
- ECOMM National Recording Pertinent Information Test
- ECOMM National Dispatcher Test

The ECOMM video-based tests portray situations that could be faced in the Public Safety Communicator position. Candidates are required to analyze situations and make quick judgments about how to respond.

To complete the ECOMM testing, you will have to attend City Hall or the Fire Hall for 3 hours of testing. Dates and locations will be confirmed for those moving forward in the competition.

C. INTERVIEW

The City of Brandon asks candidates to use the STAR method to answer behavioral based interview questions.

What is the STAR method?

The STAR method is used to answer behavioral interview questions by describing real past experiences.

STAR stands for:

Situation – What was the context?

Task – What was your responsibility?

Action – What steps did you take?

Result – What was the outcome or what did you learn?

What Types of Questions to Expect:

You'll be asked to describe how you handled situations involving:

- Conflict
- Deadlines
- Leadership
- Teamwork
- Mistakes or challenges
- Other questions related to the position and its competencies

How to Prepare:

- Think of specific examples from past jobs, school, or volunteer work.
- Practice telling your stories using the STAR format.
- Focus on your role, what you did, and what happened as a result.
- Be honest and reflective - lessons learned are just as important as success.

Example Question:

“Tell me about a time you had to deal with a difficult coworker.”

Your STAR answer might look like:

S: I worked on a team project with someone who often missed deadlines.

T: I needed to ensure the project stayed on track.

A: I spoke with them privately, clarified expectations, and offered help.

R: They improved their communication, and we completed the project on time.

PRE-EMPLOYMENT SCREENING

Candidates who are successful through the interview stage will be subject to a thorough background investigation and will be required to pass a Criminal Record Check, to Brandon Police Services' satisfaction, prior to being considered further for employment. Additionally, candidates will be subject to psychological testing and a polygraph.

Prospective candidates should thoroughly consider their past history and current life circumstances before making a formal application for this position.

Candidates successful in the pre-employment screening stage will be ranked and offered a training position in the Public Safety Communications Department.

A. INITIAL REQUIRED DOCUMENTS

- Completed online profile/application in the City of Brandon Job Bank
- Resume & Cover Letter indicating how the applicant meets the mandatory qualifications, submitted to the job posting online.

B. SUBSEQUENT DOCUMENTATION

Candidates who are successful in the testing phase will be required to provide:

- Hearing test results (documentation must be current - dated within one year of the submission deadline date).
- Vision test results (documentation must be current – dated within one year of the submission deadline date).
- Background investigation documentation includes birth certificate, education diplomas and certification, social insurance number, driver's license, marriage license, and medical insurance card.
 - **Please be aware that the background investigation is in-depth and will assess your suitability for the role and required security clearances. You will be required to share intimate details of your personal life. The background investigation includes substance use disclosure, providing access to social media accounts, interviews with a Background Investigator, a polygraph, fingerprinting, Criminal Record Check, Vulnerable Sector Check, and Child & Adult Abuse Registry Checks.**
- Psychological Assessment Questionnaire

PLEASE NOTE: Due to the costs involved with certifications listed, it is not necessary for candidates to obtain these certifications prior to successfully completing the interview stage.

Any fees associated with obtaining the required documentation (such as vision test, hearing test) are the responsibility of the candidate. It is possible there may be other costs that we are not aware of at this point.

We include this so you are fully aware there are costs associated with pursuing this application. Your ability to commit to the process in terms of travel time and costs should also be considered before making a formal application.

C. VISION REQUIREMENTS

The minimum vision standard in this competition is as follows:

- Acuity Best Corrected (either lenses or spectacles)
 - Distance: No worse than 20/30 both eyes open and examined together
 - Near: No worse than 20/30 equivalent both eyes open and examined together
- Binocular Vision
 - No diplopia
- Colour Vision
 - Normal: using Ishihara colour plates (or comparable test)
- Peripheral Vision
 - 130 degrees both eyes viewing

D. HEARING REQUIREMENTS

The minimum hearing standard in this competition is as follows:

- Hearing loss no greater than 30dB averaged at 500Hz, 1000Hz, 2000Hz, and 3000Hz.

TRAINING & EMPLOYMENT OFFER

A. TRAINING/INITIAL TEMPORARY EMPLOYMENT

Successful candidates will be offered employment on a temporary basis while they complete the required training to become Public Safety Communicators. During this period, employees are considered temporary and are not eligible for benefits. However, they will accrue sick time, which cannot be accessed until after three months of employment. Vacation pay is provided on each pay period in lieu of vacation time off.

Public Safety Communicators will undergo approximately 11 weeks of paid training, which includes both classroom instruction and on-the-job training. The classroom portion follows a schedule of five days per week, eight hours per day. Once classroom training is complete, candidates will transition to on-shift training, which follows a rotation of four days on and four days off, with each shift lasting ten hours.

The training program is designed to prepare candidates for the demands of the role and includes a variety of components such as mock scenarios, memory and multi-tasking exercises, mapping, oral and written communication practice, and computer-aided dispatch (CAD) data entry. This list is not exhaustive, and additional training tasks may be assigned as necessary. The training wage is \$30.48 per hour.

B. PERMANENT EMPLOYMENT OFFER

Upon successful completion of the training program and authorization to work independently within the Communication Centre, employees will be offered permanent employment. At this stage, they become eligible for a comprehensive compensation and benefits package. This includes participation in the City of Brandon's Pension Plan, Group Life Insurance, Disability Income Protection, Dental Coverage, and the Employee Assistance Program. Permanent employees also receive paid overtime, accrue sick leave, and are entitled to vacation benefits. In addition, optional benefits are available and fully employee-funded, including Voluntary Accident Insurance, Family Life Insurance, Optional Life Insurance, Ambulance/Hospital Semi-Private Plan, Extended Health Coverage, and a Travel Health Plan.

The 2026 hourly rate for Step 1 Public Safety Communicators is \$30.48. Progression to higher pay steps is based on annual performance reviews and satisfactory job performance, in accordance with the collective agreement.

The Public Safety Communication Centre operates 24 hours a day, 7 days a week. To support continuous operations, staff work 12-hour shifts on a rotating schedule of four days followed by four days off. Shifts include days, nights, and weekends. Overtime may be required to cover absences due to vacation, illness, or other staffing needs. Punctuality is essential to ensure proper shift handover, maintain minimum staffing levels, and receive critical updates from the outgoing team.

C. SUPERVISION

Public Safety Communicators report to the Shift Supervisor. Operational policies, procedures and the working agreement must be followed at all times.

D. SALARY AND BENEFITS

The position of Public Safety Communicator falls under the working agreement negotiated between the City of Brandon and the Brandon Professional Firefighter/Paramedic Association (Public Safety Communications Operator-Dispatch Division). Salary and benefits are established through this bargaining process.
